DEDICATION

We, the Seniors of 1966, do fondly dedicate our Yearbook, "The Highlander", to the Memory of our beloved classmate--

Mary Jean Howard

She was good as she was fair,
None--none on earth above her!
As pure in thought as angels are:
To know her was to love her.

HIGHLANDER STAFF PREPARES JOURNAL OF THE SCHOOL YEAR

Responsibility, creativeness, initiative, and a willingness to work are the traits that put the zing into a book. Editors and staff members never lacked for problems or jobs throughout the year. Even after school closed editors stayed on the job to complete the graduation coverage.

Editors and staff met in the fall to plan a better book for '66. Pictures were scheduled with the commercial photographer for the year, and our staff photographers practiced taking a few shots.

Staff editors and others attended a Yearbook Workshop in Columbus to learn the mechanics of publication.

A weak advertising campaign barely got off the ground this year, leaving a deficit of funds for the Senior Class to supply.

A "Winter Wonderland" dance in December raised a few dollars for incidentals. "Operation--Book Sales" was held in February.

The officers for 1965-1966 were: President--Ronnie Stiltner, Vice President--David Williams, Secretary--Janice Hendrickson, Treasurer--Amy Fuller, and Student Council Representative--Steve Hendrickson.

TEACHERS OF THE FUTURE GET PRACTICE

Four or five substitute teachers were sent twice a month to the elementary schools of the district to enable teachers who were taking special courses in reading, mathematics, science, etc., to attend meetings 45 minutes to an hour before school was dismissed.

Steve points out an error to Editor, Dave; and typists, Beth and Rita.

New additions to the Tel-A-Scot this year included Gayo Brothers' Column, Automotive Column, and L. O. Weeze Column. The Tel-A-Scot is a product of team effort and concentration on the part of editors, writer, and typists. Highland students vie for copies at each monthly publication time.

The Tel-A-Scot staff this year included: David Baker, Editor in Chief; Gerry Jewell, Sr. Ed.; Steve Hendrickson, Sports; Diane Stewart, Gossip; Linda Deffinger, Feature Writer; Garnet Bowsher and Janice Clark, Art; David Corwin, Humor; and Donna Gleason, Paula Tobin, Charlotte Trowbridge, Beth Beatty, Rita Davis, Production Staff.

Future Nurses took a new name in order to include boys who are interested in medical careers. Young people share interests and explore opportunities and professional training programs.

Mrs. William Deffinger spoke to the group and presented an assembly, "Project Hope" to the student body. Ohio State Careers Day and Riverside Hospital tour are climaxes to these inquiring medicos.

F.T.A. joined us this year for a Christmas party. Other social get-togethers included a Bowling and Pizza party. The club sold chocolates this year at Easter-time for a money-making project.

Amy, Elaine, and Brenda plan for an upcoming meeting.

BUSINESS AS A CAREER

FUTURE BUSINESS LEADERS OF AMERICA

The purpose of the Future Business Leaders of America are to organize a club for business students, to have social get-togethers; and for school community help. Skills are used whenever possible.

The "Back-to-School" Hop, was our opening activity. We sold typing and shorthand paper again this year. We gave the patients in the Holbrook Nursing Home a decorated box of fruits, candy, and cookies for Christmas.

The State Convention was held at Toledo, Ohio, and we sent six representatives. Linda Cornwell was our candidate in the MISS FBLA CONTEST. The others who attended the Convention were Sue Pruett, Van Altizer, Diane Stewart, Donna Gordon, and Janet Hite. The various contests were Spelling, Parliamentary Procedure, and FBLA Scrapbook.

The annual commercial tests were held in May with awards being given on Awards Day.

STUDENT COUNCIL EXPRESSES SPIRIT OF DEMOCRACY

Working to better our school and to employ the privilege of student voice in school government policies, our Council meets to help find the answers to many of our problems.

The organization helped provide the Thanksgiving, Christmas, and Easter Assembly Programs.

"Jingle Bells", Santa Claus distributing gifts, and a real live Combo of Faculty members were part of the planned entertainment for our holiday pleasure on the last day of school before the Christmas vacation.

Sue McCormick and Jim Gray were selected as our representatives to the County Dollars for Scholars Organization.

In October, the memhers voted for the selection of the Reserve Cheerleaders.

The Council looks forward to assuming more responsibilities in student affairs, and thus becoming a more influential factor in ironing out student controversies.

SCIENCE CLUB VISITS SMITHSONIAN

Each year the Science Club presents an award to two seniors who have shown merit in science achievement. The Rayburn award goes to the most outstanding boy in science accomplishment and the McLauren award to the best girl student.

The Science Club strives to create interest and to advance learning in all fields of science. It sponsors the annual Local Science Fair at Highland. Members are responsible for registering and setting up displays at various schools in the area.

A weekend field trip is an annual event. We visit scientific centers of interest. This year the members went to the Smithsonian Institute in Washington, D.C.

As a service to the school, the organization helped pay for the "Scientific American" and other science reference materials for the library.

Interesting, distinguished visitors spoke at the meetings in the various areas of science.

At Christmas time the Science Club and FBLA held a combined party for members and their guests. In February, a "Shindig" of home talent was presented to make money for the trip to Washington.

GAA PROMOTES SPORTSMANSHIP AND ENTHUSIASM FOR ATHLETICS

This year the GAA sold programs at home games, and Booster ribbons to improve school spirit.

The aims of the organization are to develop sportsmanship, social and moral obligations, physical strength and coordination, mental stability, and good health habits.

The girls held a dance in the spring to raise money to help send the cheerleaders to training camp.

They also had a volleyball and basketball team.

The cheerleaders received letter awards for football and basketball.

This is the motto of the Future Homemakers who learn to practice worthy home membership for all.

The group participated in the County FHA and sent two delegates to the State convention in Columbus.

In accordance with state objectives, the girls studied the project "Jobs, Careers, and You." Miss Mathews presented a program emphasizing physical fitness and figure control. A skit was given when the parents were invited to attend a study group meeting on the subject of "Making Your Money Behave." Miss Smith, teacher of mentally retarded children, spoke to the members on Mental Health.

Important social events were holiday parties, initiation, Senior breakfast, and community service projects. Awards were made through the Chapter and State Degree program.

Letterman's Club members are athletes who have earned a Varsity letter in a sport. The standards for earning a letter are set up by the Athletic Board. The coaches are advisors for the club.

The coat check is run by the Letterman's Club members at the basketball games. Light blue blazers have been adopted as the official color and attire for the members. Many of the team members wear them to athletic events.

The Lettermen are purchasing a camera and a projector for the filming of athletic contests so that each individual may study and correct his own behavior problems, and faulty techniques.

Every Highland H.S. athlete is proud of the Letterman's Club and enjoys becoming a member, upon earning his varsity letter.

FFA STRESSES CAREER

It was an exciting moment when John LaFever crowned Donna Gleason as F.F.A. Queen

Work units are the primary concern of the Highland Future Farmers of America. The Chapter readied the football field for Highland's first season of home games. Planning, preparing, and serving a "piping good" Chicken Bar-B-Q was a highpoint for the members in the fall. In the field of civic service, the boys helped remove wreckage at Westfield after the tornado struck. The annual crop project was completed on schedule.

The F.F.A. entertained their parents with the annual Parent-Son Banquet, at which individual honors and awards were bestowed upon the members. These included the American State Farmer's degree; the Star Chapter Mechanics; various Animal Production awards; and Public Speaking recognition.

The Highland F.F.A. won the State Wool-Judging contest last spring. Team members were: Franklin Shaffer, Phil Smith, and Danny Young.

"Some Enchanted Evening" set the theme for the Jr. & Sr. Prom and Banquet, May 7. Who will ever forget the delicious food prepared by the mothers of the Jrs., and served by the charming Sophomores? The excellent entertainment provided by Ron and Jean concluded a very enjoyable dinner.

The Guests were then invited into the Enchanted Garden for an evening of Moonlight Dancing.

The Cafeteria was transformed into a unique setting creating that romantic atmosphere often associated with an "Enchanted Garden", and which was reminiscent of the South Pacific with its waterfalls, beautiful foliage, bridges, and exotic flowers. As one peers down memory lane, he will forever recall this magic night when he was seemingly swept away by the romance of the soft music provided by the "Mellow Jackets".

CLASS

This year has been a prosperous one for the Juniors. It started with a very successful dance.

Our magazine sales were also a big hit. The class got out and sold almost $2,000, in magazines with a profit of almost $800.

The Junior Class play was very profitable. The play "The Man Who Came To Dinner", with the help of a very fine cast, brought in $200. All this has definitely helped us put on a wonderful Prom for the Seniors of '66.
